# Notice of Beginning of Review Cycle

Applications will be heard **December 17, 2014 Meeting** at the Tennessee Health Services and Development Agency Meeting (except for projects noted as **Consent Calendar** which will be heard at the **November 19, 2014 Meeting**).

*\*Denotes applications being placed on the Consent Calendar.*

*+Denotes applications under simultaneous review.*

This is to provide official notification that the Certificate of Need applications listed below have begun the review cycle effective **October 1, 2014**. The review cycle includes a 60-day period of review by the Tennessee Department of Health, the Tennessee Department of Mental Health and Substance Abuse Services, or the Tennessee Department of Intellectual and Developmental Disabilities. Upon written request by interested parties the staff of the Tennessee Health Services and Development Agency shall conduct a public hearing. *Certain unopposed applications may be placed on a "consent calendar." Such applications are subject to a review less than 60 days including a 30-day period of review by the Tennessee Department of Health, the Tennessee Department of Mental Health and Substance Abuse Services, or the Tennessee Department of Intellectual and Developmental Disabilities. Applications intended to be considered on the consent calendar, if any, are denoted by an asterisk.*

*Pursuant to T.C.A. Section 68-11-1609(g)(1), any health care institution wishing to oppose a Certificate of Need must file a written objection with the Tennessee Health Services and Development Agency and serve a copy on the contact person for the applicant no later than fifteen (15) days before the agency meeting at which the application is originally scheduled for consideration.*

For more information concerning each application you may contact the Tennessee Health Services and Development Agency at 615/741-2364.

The relocation of the thirty-four (34) bed skilled nursing home from James H. and Cecile C. Quillen Rehabilitation Hospital located at 2511 Wesley Street, Johnson City (Washington County), TN 37601 to Johnson City Medical Center located at 400 North State of Franklin Road, Johnson City (Washington County), TN 37604. The estimated project cost is \$21,000.00.

\* These beds are not subject to the 2014-2015 Nursing Home Bed Pool.

Modification of a hospital requiring a capital expenditure greater than five (5) million dollars and the addition of two (2) licensed beds. Fifty-four (54) acute care beds will be located on what are presently three (3) shelled floors (floors 3-5) to be finished in the Kay Research and Care Center. Fifty-two (52) of the beds will be replacement beds and two (2) will be new licensed beds. The project will also finish out two shelled-in connectors to an adjoining building and relocate Respiratory Therapy. The project will increase the licensed bed capacity from seventy-eight (78) to eighty (80) beds. The estimated project cost is \$62,500,516.00.

The initiation of a positron emission tomography (PET) service at the existing Sumner Station outpatient campus. The project will also include the build-out of approximately 1,425 SF of existing space and the purchase of a PET/CT system. The estimated project cost is \$2,887,845.00.

Modification of a hospital requiring a capital expenditure greater than five (5) million dollars and the addition of forty-four (44) licensed beds. The project includes renovation and new construction totaling approximately 55,302 SF in the following areas:

- 1) The expansion and renovation of its Neonatal Intensive Care Unit (NICU) consisting of approximately 9,758 SF of new construction and renovation of 15,432 SF;
- 2) The addition of approximately 16,850 SF of new space and renovation of approximately 1,262 SF of existing space, which will house a new addition to the Intensive Care Unit (ICU); and
- 3) The renovation of approximately 12,000 SF of existing space to convert it from non-inpatient care space to inpatient rooms.

Twenty-eight (28) of the forty-four (44) beds are anticipated to be allocated as Medical/Surgical beds and sixteen (16) as ICU beds. The project will increase the licensed bed capacity from 581 to 625. The estimated project cost is \$26,292,001.00.
